

Dear Inquirer!

The Demko Sound Studio warmly welcomes You! We would like to let you know how the **singing lessons program** works within the next lines:

Why we established the singing education program?

» Our goal is to **revolutionize the way of teaching music!** We have swapped the old methods of teaching to modern and personalized music lessons without deviating you from your own musical taste! You will learn based on your favorite songs, in your own musical style. Your singing lessons will be held by the two-time Transilvanian Music Awards winner and the 2012 X-Factor runner-up singer, Antal Timi!

Who can apply?

» **Anyone can apply without any previous training or age limit!** You can either be a complete beginner or semi-professional so do not hesitate to apply! It is not even an issue if you are not aiming for a professional career! If it is a matter of hobby for you to play music, we will gladly help you as well!

Where can the studio be found?

The singing lessons can be taken in our own studio, at the **Demko Sound Studio headquarters**, at: 2225 Üllő, Vadvirág utca 10.

How much do the lessons cost?

Basically we make use of a **lease pricing plan**, which means **that the monthly lessons are charged for a whole month at once and are due the end of first week of the next month.** The **duration of one lesson lasts for 50 minutes.** The contents of the lessons are agreed upon our first time together which is also the **introduction, which is free of charge!**

We have the following types of pricing plans:

In person (In Üllő):

- Standard monthly payment: 4×50 minutes, 1 class/week – **21.000.- HUF**
- Standard semimonthly payment: 2×50 minutes, 2 classes/month – **10.500.- HUF**

Online:

- Online monthly payment: 4×50 minutes, 1 class/week – **21.000.- HUF**
- Online semimonthly payment: 2×50 minutes, 2 classes/month – **10.500.- HUF**

If you are not able to or do not wish to attend classes on a regular basis, **we offer individual classes as well at the price of 7.000.- HUF / lesson.**

The singing lesson prices do not include music theory sessions! Should you be interested in **taking music theory lessons as well** (1 lesson/month), **you can apply for it at the rate of 5.000.- HUF/session.** The music theory lessons will be held by **Demko Gergő**, who is a renowned pop musician as a keyboardist, guitarist and composer!

The lessons are valid and must be taken within thirty days after the payment has been processed!

(The prices include VAT!)

What rules apply to trainees?

We apply only one simple rule, which is called the **48 hour rule: If an agreed lesson is declined 48 hours or less before the start of that particular lesson, it can no longer be redeemed and is considered as already taken! If a lesson is declined 48 hours (or more) before the agreed time it will be postponed to another date and can be taken without any additional charges.**

Due to the fact that our teachers are practitioner musicians **it may happen that a teacher declines a lesson** (typically due to a performance or a TV-, radio appearance) which will of course be **postponed and held on another agreed date in this case!**
